MESSAGE FROM THE CHAIRMAN

Since the decision was made at the 1989 Annual General Meeting to complete the building of the Prospect Playhouse, the Cayman Drama Society has gone from strength to strength, both in terms of new members joining and the interest and commitment shown by existing members. The membership list now includes well over 200 names, making us one of the largest voluntary associations in Cayman.

Unfortunately, such rapid growth can sometimes bring its own problems, one of which being the difficulty in identifying the type of production which the members and the theatre-going public wish to see. Sometimes this can only be judged by the audience turnout, or lack of it, which can prove uncomfortable for those sitting in a half-empty theatre, disappointing for the performers who have spent many weeks rehearsing, and a financial disaster for the Society. In order to avoid this, we need to know what **you** want to see. If you prefer historical drama, subtle comedy, uproarious farce, musicals, thrillers, or even if you have a favourite play which you would like us to perform, please contact me or any member of the Cayman Drama Society committee and let us know.

For the first half of 1991, we have chosen a selection which should appeal to most tastes. From April 25th to May 4th we are presenting "An Inspector Calls", the suspense thriller by J.B. Priestley, and during June you can see "My Fair Lady", probably the most popular musical of the 20th century. However, for those who prefer to laugh, you could do no better than "Boeing-Boeing", so sit back and share the show with the Cayman Drama Society!

Alan Hall
Chairman, 1991

THEATRE MANAGER'S REPORT

The Building Committee is disbanded but, although we have a Management Committee and no Building Committee, it does not mean the building is complete. To all of you, our apologies, for the fact is that we still are not complete and out back (in some places you can't see) it still looks like a building site. As many of you know, it was the intention to build in phases but, as is usual, certain unforeseen things happened which forced us to achieve an earlier opening than the original projection of January, 1991. We still have to complete the kitchen, construct extra storage space, landscape, put in a new foyer floor and many other things, as well as paying back money borrowed. So any of you with spare cash or labour, please call!

On the Management Committee, I couldn't ask for a more dedicated and hard-working group of people. **Peter Phillips** on technical, **Marilyn Osborn** on cleaning props and make-up, **Michelle Webb** on costumes, **Colin Wilson** on major productions, **Des McConvey** on bar, **Penny Phillips** as secretary and finally, although still sick, **Evelyn Andresen** on box office and front of house. (Evelyn is still very ill and we all send her our best wishes and look forward to seeing her return fit and well). Each of these committee members have their own team of helpers and, even in the short time we have been together, the efforts have all been truly commendable - but they still can't do everything so if you're interested, please don't hesitate to call any member of the Committee (all their numbers are below).

Finally, it is your theatre, it was built with your efforts, and it is your support which will keep it going. I will not list any rules and regulations here, but suffice it to say that sense, good housekeeping and respect of the property and other people's usage is the order of the day.
