DIRECTOR/CHAIRMAN'S MESSAGE

Dear Theatre Goers,

One good thing about being both Chairman of the CDS and Director of "Murder By Misadventure", you only get one message!

This is very near the end of my tenure as Chairman (elections are on Thursday, December 8th at 8 pm at The Playhouse) and it has been a very exciting year with "Oliver" being the most successful Production. Apart from "Oliver" and "Fawly Towers", audience numbers have been disappointing and I canvass your opinion as to why? All of us on your Committee would like to receive some input from you. What type of plays would you like to see in 1995? Where did we go wrong in 1994? Did we go wrong? What were your likes (dislikes)? Tentative plans for 1995, subject to endorsement from your new Committee, include resurrecting the "Victory Theatre" Dinner Nights with two one act plays. This was a great training ground for new directors and they were very popular. We are also going ahead with a Christmas Dinner at The Prospect Playhouse on Saturday December 3rd. Lots of good food, fun and entertainment. Make sure you mark both dates - 3rd and 8th - on your calendars.

Those of you who are Prospect Playhouse regulars, will have noticed the renovations to the theatre. Alan Hall (Chairman of our Theatre Management Committee) and his very small band of dedicated helpers have done a fantastic job in making our Theatre look almost new again. Thank you one and all!

And what about "Murder By Misadventure"? Misadventure is certainly the key word in this Production. Scheduled originally for September/October, we have been bedevilled by casting problems (the original two leading males had to drop out at different times because of work or no work problems) and my set designer/producer was made redundant from her place of employ and left the Island. Grateful thanks to our replacements, especially Anna Cutler (Producer), Gina Hew (Set Designer) and Robert Marsden (Main Set Constructor).

"Murder By Misadventure" is a thriller. A very good one, which will keep you guessing to the very end. The last scene still makes me breathless with its twists and turns right up to the final curtain. Marvellous stuff! I know you will agree with me that our cast is excellent. Their only reward is hearing your applause - clap hard!

In January, we are staging "CINDERELLA", the most popular of all English Pantos. We are still looking for Chorus Members (you don't have to be a great singer or dancer). If interested contact me at 94-52739 (Work) or 94- 95085 (Home), or come down to The Playhouse. We rehearse every Monday, Tuesday and Wednesday from 7 pm.

Thanks for turning out. We need your support. This is a great Society. If not already a Member, SIGN UP. Forms are in the Foyer. Cost you only \$10 (and you get a FREE T-shirt).

OUR PLAYERS

DOUGLAS W. TARDIF

Doug Tardif made his stage debut as Fagin in the 1994 CDS Production of "Oliver". He has graduated from the lovable petty theft role to taking on more adventurous crimes such as blackmail and murder. His penchant for criminal parts is uncharacteristic behaviour for this mild mannered, self effacing individual. In his life off the stage, Doug enjoys classical music, writing and flying.

JACKIE POWELL MARSDEN

Jackie is a newcomer to the Cayman Drama Society. She was involved in The Cayman Islands High School Drama Club. The interest in CDS was the result of watching "Abigail's Party". Thanks, Chris and Kate.

Jackie is Audit Manager of Deloitte and Touche and is married to Robert Marsden.

PETER RILEY

A player with a character trying his all,
One called Peter, one called Paul.
Fly away Peter, fly away Paul,
Come back Peter, just keep your eye on Paul -
That's all the clues you are going to get.

ENJOY!

ROSEMARY HANSBURY

Made CDS debut in 1993's Production of "Mixed Doubles" and has remained active both on stage and behind the scenes, most recently in the cast of "Oliver". Having accepted the challenging role of Egan, this former Nancy Drew wantable, believes the psychiatrists would call this venture a form of "Wish Fullfillment".

FOR YOUR VEHICLE

Havoline SYNTHETIC MOTOR OIL

As Cayman's first 100% synthetic motor oil, Havoline Synthetic can help save our natural resources while also saving time and money. It gives your engine maximum protection from friction, a major cause of engine wear. Havoline Synthetic Motor Oil actually helps provide the means to extend engine life.

System³ GASOLINES

NEVER BEFORE...has there been a system of gasolines that offers so much. System³ gasolines give you more power from every octane. Their unique formulation starts to work from the very first tankful to keep new cars running like new. With continued use, they help restore performance to older cars.

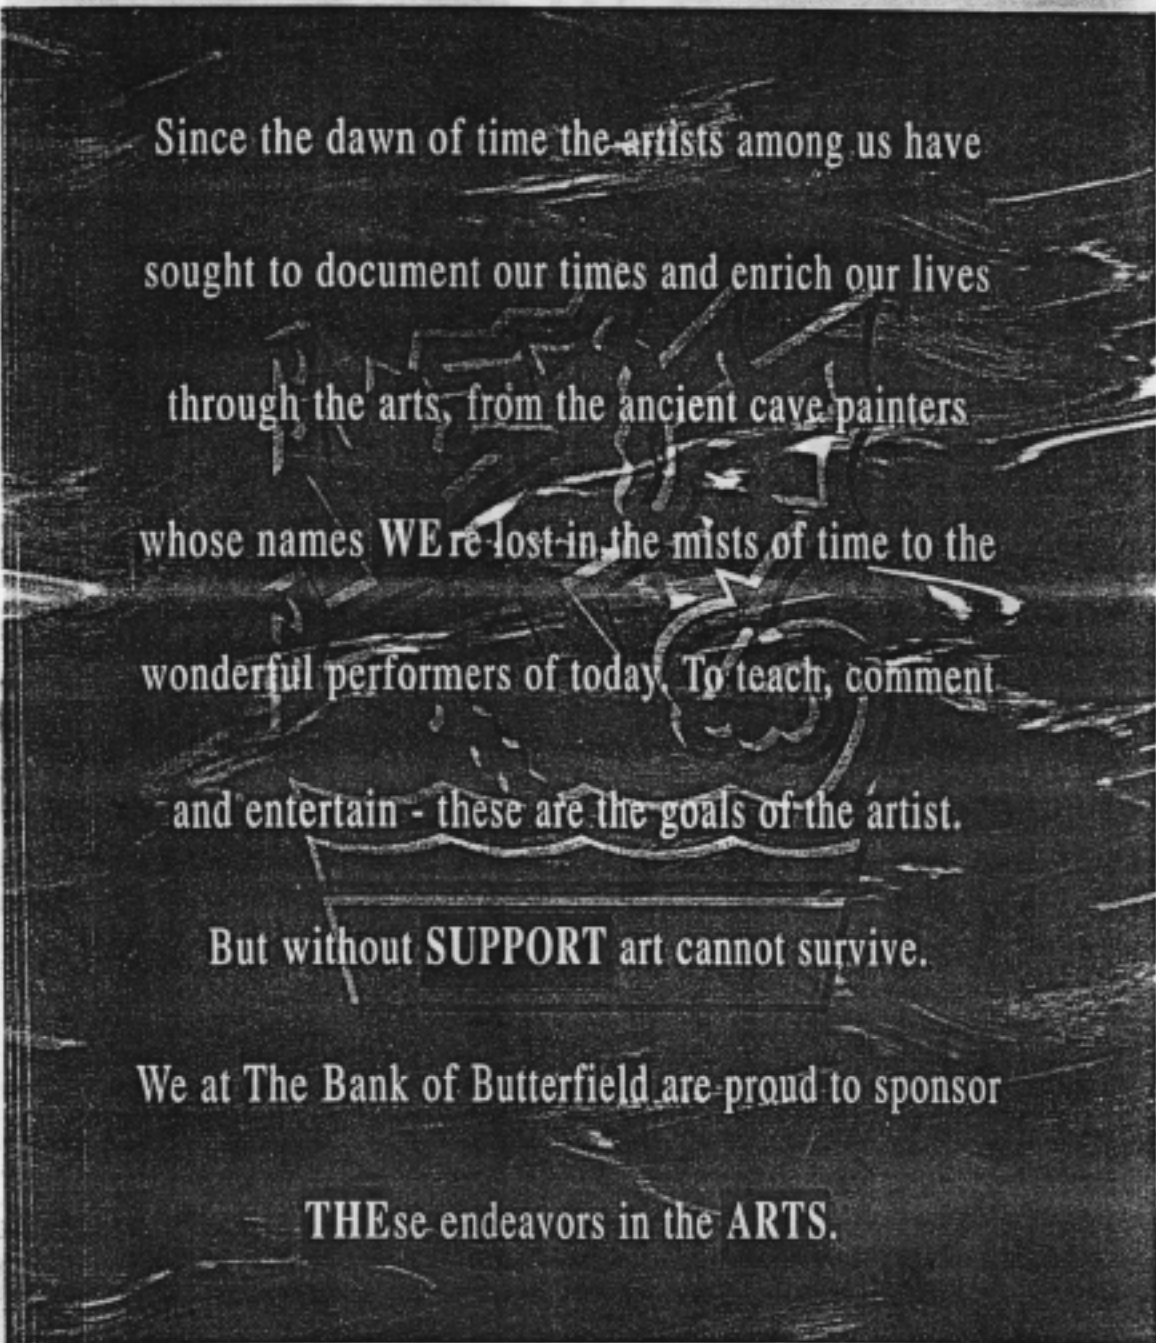

Havoline Formula³ MOTOR OIL

Add more life to your car by using Havoline Formula.³ It helps prevent viscosity & thermal breakdown while reducing friction when first starting an engine. Keep your engine clean and free of deposits with Formula.³

The Power of Performance

Since the dawn of time the artists among us have
sought to document our times and enrich our lives
through the arts, from the ancient cave painters
whose names WE re lost in the mists of time to the
wonderful performers of today. To teach, comment
and entertain - these are the goals of the artist.

But without **SUPPORT** art cannot survive.

We at The Bank of Butterfield are proud to sponsor

THEse endeavors in the **ARTS**.
