CHAIRMAN'S MESSAGE

Welcome once again to the Prospect Playhouse for our third major production of the year. Our aim this year is to offer a varied program and so far with a Pantomime, a piece by Alan Bennett, a short farce by Molière and now, "Godspell" which will be followed by a full length comedy, I hope you will feel that we are on track.

"Godspell" was written in 1971 and was one of a number of highly successful Biblical musicals produced in the seventies, "Joseph and the Amazing Technicolor Dreamcoat" and "Jesus Christ Superstar" being perhaps the best known. Based on The Gospel according to St. Matthew, "Godspell" retells the last seven days of Christ's life in an entertaining and exciting way.

The music is wonderful and Kristoffer Kahn and his enthusiastic team have produced a vibrant, energetic show which I hope you will enjoy to the full.

DIRECTOR'S NOTE

Ever since man learned to reason he has sought to bring an explanation to his existence. From this curiosity was born the institution we know as Religion. Over the years many religions have risen and fallen. Though they frequently, sometimes violently, disagree, all share two common points of view: the belief in a higher power and the belief that they are the only correct religion. "Godspell" bridges that gap.

Hindu, Atheist, Buddhist, Baptist or Jew, no matter what creed or sect you have chosen to believe, there are basic human truths which we find in every religion. This is the teaching of "Godspell, and anyone who says that this is not it's teaching, they are speaking an untruth!

THEATRE MANAGER'S REPORT

Once again, it is a pleasure to welcome you to The Prospect Playhouse. Since the last production, a considerable amount of work has gone on behind the scenes (not unusual in a theatre) to improve the Playhouse for the enjoyment of our audiences.

After having been open for nearly five years, it was time to start upgrading some of our equipment. The original sound system, whilst operable, was installed very much "on the cheap", due to financial constraints at the time of building. It would be wrong to imply that we are now rolling in excess cash - far from it - but it was decided by both the Theatre Management Committee and the Executive Committee that the first area of refurbishment had to be the sound system. Consequently, you will see new speakers installed throughout the theatre with, we are sure you will agree, a marked improvement in the quality of sound. A new sound board has also been purchased and installed and the technical booth revamped for not only the comfort of our sound technicians but also added efficiency.

As always, it is my task to remind you that the Playhouse relies on volunteers for ALL its help -- whether on stage, back stage, lighting, bar duty, etc. None of our members is paid for his/her help, and the one area which is causing us the utmost concern is the cleaning of the theatre. We had a magnificent team in the first few years who kept the place as bright as a new pin; but we could not and did not expect them to carry this work on forever. They are all now taking a well-earned rest, and we are desperately seeking new blood to give us a hand with this task. With enough people, it can be enjoyable rather than onerous and, if you are willing to volunteer, you can be assured you'll meet lots of new friends who also have the good of the theatre at heart. If you can find a way to give us a hand, please have a word with any of our bar staff (also volunteers) who will point you in the right direction!

Enjoy your evening, and the entertainment we have pleasure in offering you tonight.

PETER PHILLIPS -- Theatre Manager

GODSPELL

by STEPHEN SCHWARTZ & JOHN-MICHAEL TEBELAK

CAST

Kate Bowring

Leanne Buchanan

Ralph Scott Davidson

Jim Flynn

Karin Gustasson

Kristoffer Kahn

Rebecca Rockwell

Lander Scott

Vicki Steward

Stephen Taylor

KATE BOWRING

Has been a member of the Drama Society since 1980. More recent performances include "Fawlty Towers", "Abigail's Party", and chorus parts in "Oliver" and "Cinderella". Having seen the original London stage show (as a very small child!), it has been great fun to get reacquainted with the wonderful music of "Godspell."

LEANNE BUCHANAN

You may recognise her as the sexy coolant girl on Cayman 27, but seriously, when she's not seducing the men she certainly keeps them in line with her mastery of the martial arts! Leanne's past experiences include working with Ernest in "Ernest Goes Back To School", and portraying Consuela in "West Side Story". Her one and only ambition in life is to be happy and her involvement in "Godspell" has contributed to her achieving that goal.

RALPH SCOTT DAVIDSON

After 10 years of promoting products and people through advertising in the States, and only one year in Cayman, Ralph has stepped into the limelight himself. With no formal training or experience other than shower-renditions of "Sea of Love" and singing Elvis songs during Karaoke at the Cracked Conch, he comes with only a strong desire to "show off". He was quoted as saying "I must be nuts, I want to strangle my girlfriend for convincing me to do this".

JIM FLYNN

Jim has performed in various roles in theatre to television. Has acting awards for TV and stage. The next show Jim plans not to be an idiot!! Three times is a charm!

KARIN GUSTASSON

Starting on-stage, Karin moved to film and-TV in shows like "Guiding Light", "Crocodile Dundee", and "Knight Rider" but needing more than just saying the words, Karin moved behind the camera and for the last seven years has produced and directed various television shows, sports programmes and commercials. Forced to play a man in "Cinderella", Karin is very happy to be a woman again. With all the time involved in "Godspell" she forced her boy-friend to audition just to save the relationship (or to keep him from going out every night) and apologises (not really!)

KRISTOFFER KAHN

This is Kris' third performance of "Godspell" and he still isn't sick of it. You may recognise Kris from his role in the Academy Award winning movie Forrest Gump as hippy #438, or as the shirt sleeve from Kalifornia with Brad Pitt.

LANDER SCOTT

Lander hails from Athens, Ohio, USA. Last summer's "Oliver" was Lander's debut with CDS. Other College and Community Theatre performances include— Richard III, Oklahoma, Brigadoon, Little Shop of Horrors. Lander is the mid-day DJ on Z99 but is only in the entertainment industry until a professional waitressing job opens up!

REBECCA ROCKWELL

Ms. Rockwell made her debut with CDS recently in "Cinderella" and worked back-stage in productions such as "Annie" and "Grease" as well as writing and directing plays for children. Rebecca, currently working towards a Bachelor's Degree at I.C.C.I, has enjoyed her time with the casts and crews here, and thanks everybody for their support! Break a Leg!

VICKI STEWARD

Vicki has performed in various shows in England - her roles have included a prostitute, jailor and one of Robin Hood's Merry Men. Of the above, she prefers to be merry!

STEPHEN FAYLOR

Ah, yes -- the bad boy. Godspell is the release. After a couple of British films, Black and Decker TV ads and even swimwear modeling for Marks & Spencer, real life is teaching High School. After Cinderella, CDS forced him back into "Godspell" to pay his bar-bill. Prepare ye!

FOR YOUR VEHICLE

Havoline SYNTHETIC MOTOR OIL

As Cayman's first 100% synthetic motor oil, Havoline Synthetic can help save our *natural resources* while also saving time and money. It gives your engine maximum protection from friction, a major cause of engine wear. Havoline Synthetic Motor Oil actually helps provide the means to extend engine life.

System³ GASOLINES

NEVER BEFORE...has there been a system of gasolines that offers so much. **System³ gasolines** give you more power from every octane. Their unique formulation starts to work from the very first tankful to keep new cars running like new. With continued use, they help restore performance to older cars.

Havoline Formula³ MOTOR OIL

Add more life to your car by using Havoline Formula³. It helps prevent viscosity & thermal breakdown while reducing friction when first starting an engine. Keep your engine clean and free of deposits with Formula³.
