MESSAGE FROM CAYMAN DRAMA SOCIETY

On behalf of the Cayman Drama Society we are delighted to be able to welcome this year's Cambridge Footlights International Tour. After the success of last year's Footlights inaugural visit to the Cayman Islands, this year's Tour will be performed for 3 nights at the Prospect Playhouse. As members of the CDS Executive Committee we are absolutely thrilled to be hosting this group of highly talented young people enabling their comic genius to be seen by our Cayman audience. The team have been a pleasure to work with and are not only doing the shows but also have taken time to visit local schools to share their passion and talent.

Cayman Drama Society has been fortunate to be supported by the generosity of organizations and individuals to help make the visit of the Cambridge Footlights a success. A huge thank you to Maples and Calder for sponsoring the visit and enabling us to host the 2nd Cayman Cambridge Alumni Reception; to The Price Team at RBC Dominion Securities

Global for the donation of the use of the fabulous Seascope Villa as accommodation for Footlights Team and the venue of the Reception; to Sharon and Andrew Galloway for supporting the costs of transporting the Footlights Team around during their time here; and a big thanks as always to the CDS Volunteers - the Cayman Drama Society is run on a volunteer basis so we cannot continue to provide top quality entertainment without those individuals who give tirelessly of their free time to answer the phones, man the bar, operate the Front of House, work the sound and lights, manage the stage and nurture the Theatre.

Proceeds from the performances will go to Cayman Drama Society's Educational Fund. If you would like more details on the Fund or to make a contribution please contact treasurer@cds.ky

Enjoy the Show!
