We must thank all of the incredible people who have helped us along the way. Friends and family members shared our posters via work intranets and newsletters, via Facebook and Twitter. Thank you all so much for helping us to raise funds for this special cause.

A big shout out to Hurleys Entertainment and especially Randy Merren, Jason Howard, and Tyris General for donating your personal time and air time to help promote our show. Thanks to Auntie Ann, Cayman News Service and Pinnacle Media, especially Victoria Wheaton, for promoting the event. Jacques Scott has kindly donated the ingredients for tonight's special cocktail and as a result 100% of those proceeds will be donated to the Fund. Thanks especially to Beverly Edgington, CDS' bar manager and her team. The bar will also be donating all tips received to the Fund.

Thank you to Stephen Chung and his team at OSA for their work on graphic design and to Cathy Fox at Quick Images who donated our fliers and programmes. We owe a world of thanks to Jeff and Kelly McGlashan and Trees for Life for their ongoing support and contributions.

We are very grateful to the Cayman Drama Society and their dedicated group of volunteers. Because of everyone's generosity we have been able to donate 100% of the proceeds to the Zak Quappe Memorial Scholarship Fund.

Finally, we must thank our friends and family members who we cajoled, beat up and blackmailed to take part in the show! --- no, not really. Dominic, Rory, Lani and Teri—thank you for your talents and for your hard work in putting this together.

There are many others to thank and we do so now, and thanks to you for coming to see our show and your very kind donations, we are humbled and grateful.

## DEDICATION

### Zak Quappé

May 3, 1992 - May 18, 2013

Tonight's performance is dedicated to Zak Quappé, who not only loved to fly he also enjoyed performing arts assisting at the Prospect Playhouse for many productions and even treading the boards himself during the premier of Colin Wilson's Watler's War.

Zak showed an interest in flying from age 12 and attended summer camps every year for 5 years at Embry-Riddle University in Daytona Beach, Florida; enjoying his first solo flight at age 17. When he was 18 years old he told his parents he wanted to make flying a career and as such attended ATP Flight School in FT Lauderdale, Florida where he obtained a Commercial License with a multi-engine and instrument rating. Once graduating with that license, he continued his flying studies gaining valuable flight time and experience in New York and even in the mountainous terrain of Montana, USA where he obtained a Tail wheel distinction flying a mountain plane called a Maul looking for forest fires and grizzly bears! After coming back home to Grand Cayman, the Cayman Flying Club assisted in sponsoring him in obtaining a Certified Flight Instructor rating ("CFI") which he obtained through Wayman Aviation at Opa Locka Airport in Florida. After achieving his CFI in November of 2012. Zak became a flight instructor, training a number of students, many of them more than twice his age.

Zak was passionate about seeing his young friends working and doing things they loved, his family felt this was the best way to continue his legacy. Depending on how quickly an individual performs, it costs roughly \$15,000 to obtain the necessary flight hours and training to obtain a Private Pilot's license.

We are extremely proud to announce that two young Caymanians, Sam Whitney and Brian Emmanuel Watler have been successful in obtaining their private pilots licences. These two young men, Sam in 2016 and Brian in 2017, worked hard, attending Wayman Aviation in Florida, to do both their examinations and flight training. Both young men are currently in University completing their degree programmes.

The fund has also assisted the Clifton Hunter flight club in assisting with funds for their summer camp programme.

Applications are open for the 2017 scholarship. Please send enquiries to [sebanks@me.com](mailto:sebanks@me.com) for further information.

We want to thank the ZQMSF committee members for their guidance and support: Jeff McGlashan, Marcus Cumber, Karie Bergstrom, Chuck, Barrie and Teri Quappe and Sheree Ebanks.
