CHAIRMAN'S MESSAGE

It is with great pleasure to pen this Chairman's message! The last one I wrote was for *"The Illusion"* almost exactly one year ago today. And, what a year we have had! At CDS we are so very grateful to our sponsors, members, and supporters. Our Theatre Manager, Paul de Freitas ensured that the Prospect Playhouse was closed down during lockdown and that we adhered to all protocols when we opened our doors to welcome our Summer Camps. We were even able to stage *"A Playhouse Family Christmas"*, adding another matinee this past year, and it was gratefully and energetically received! We are now pleased to be able to bring to you *"The Women"*. As far as I am aware, we are only one of a very-limited handful of places able to offer live theatre. I sincerely take my hat off to Director/Producer Paul, assisted by Liam Oko and Erica Ebanks and a host of others, for bringing another classic to our theatre---and an all-woman cast to boot! We had taken the risk a year ago that we would see this on stage, and here we are! Thanks to the production team, our front of house, bar, technical crew and our talented actors---we are grateful to you all for making this a reality.

2020 saw many of us facing a lot of challenges. 2020 was CDS' 50th year and, of course, the year of celebrations did not happen. Stay tuned though! We are looking forward to bringing you a special event later this year! Of course, our CayStage has been going full throttle for the past few months, ably steered by our Head of Training and Support, Kirsty O' Sullivan. Thank you to all her students and volunteers who have made this a success! During 2020 Kirsty also received her Master's degree, specializing in Shakespeare, and we congratulate Kirsty on this awesome achievement. We also scheduled events with the Royal Shakespeare Company for last year, which did not happen. But as soon as the world returns to some semblance of normality, we will pick up on this where we left off. This year, we still plan to stage *"Noises Off"*, which will open May 20th, so mark your calendars---this is one you do not want to miss!

The date for the 2020 AGM was affected and was finally held on August 21, 2020. We noted

it would be a short year and our 2021 AGM is scheduled for March 9th. Please do mark your calendars and seriously consider running for a seat on the Executive. When I became Chairman a number of years ago, it was only to be for two to three years. One of my primary objectives was to focus on education and also on ensuring that CDS remained viable and sustainable. To this end, we introduced the position of Deputy Chairman who will assume the Chairman's slot after a period of time. This will ensure constancy as well as ensuring that the incoming Chairman has spent the requisite time on Executive to assume the role. After nearly nine years as Chairman, it is time for me to step down and let those with fresh ideas take the lead. I will therefore make way for the Deputy Chairman to take the seat. I will always be available for support - I hold CDS near and dear to my heart. I feel that over the course of the past years we have accomplished a great deal in moving CDS forward, including setting up formal drama classes, electronic ticketing, putting policies and procedures in place and a governance structure with which to move forward. So, while this may be my last "Chairman's Message", I will still walk the halls of the Prospect Playhouse and assist when needed---but I depart leaving it in very capable and good hands.

Please do join us for our AGM on March 9th. I hope to see you all then. If you are not a member, please do consider joining! Interested in drama---take a class! But for now, please sit back and have a blast with *"The Women"*.

Sheree Ebanks
Chairman 2020/2021

DIRECTOR'S MESSAGE

THE WOMEN has been an emotional ride for the joint directors. Why three directors? Well there are a couple of reasons. CDS requires that aspiring directors work on one or more productions as assistants before being permitted to go it alone. Both Liam and Erica are already very experienced and will now meet the criteria necessary to go it alone. But with an exceptionally large cast for a dramatic comedy – 20 women playing 41 parts over 12 scenes – it was absolutely necessary to be able to divide the directorial workload once the initial blocking rehearsals had occurred.

Naturally, the coronavirus situation has affected the production with actors becoming unavailable due to repatriation, quarantine requirements after travel and so on. But where we lost a cast member, another person stepped up to take on the role. We thank them all for taking part, in some cases, at the very last minute.

Presentation of a play that is as complex as *THE WOMEN* is a problem – a wonderful script which found public favour – running for 657 consecutive performances on opening in 1937 on Broadway. But that script involves ten major sets – something which cannot be contemplated for an amateur production run of just nine

performances. Our planning led us to simplify all sets, using just two permanent side walls with doors, two periactoids (we call them toberones – three-sided moveable walls), a portable window wall, a moveable bathroom, and a large number of furnishings. We hope that our simple presentation of the locations of the play will help your appreciation of the awesome talent of our actors, many of whom are playing multiple roles as our story progresses.

And finally, a comment on timing. The play is set in 1936 – a time at which divorce was not easy, but could be obtained by travelling across the USA to Reno, Nevada and residing there for six weeks. Our look and feel is modern and yet in keeping with the story being told – wherever that takes us! At this time, we see no sense in large expenditures on costume for 20 actors in 12 scenes just for a nine day run – and we believe that you will agree that our actors and their presentation, ably supported by the minimalist set pieces, carry the day.

and Erica Ebanks**

THEATRE MANAGER'S MESSAGE

One year ago at this same time, we were presenting *THE ILLUSION* and had plans for a vibrant year – then it happened – the illusion ended, and the reality of our new circumstances was made clear – lockdown! Coronavirus had hit our island and your theatre went dark.

Roll forward to July 2020 and a change in government policy - our training department was permitted to open with strict guidelines – masks, sanitization and distancing. We were among the very first to get back to some semblance of normalcy and serve the children of Cayman.

Both time and resources were available, and it was agreed to proceed with phase one of the foyer redevelopment – the creation of the foyer nook and the first upgrade to the bar. You will have seen the result during *A PLAYHOUSE FAMILY CHRISTMAS* – and if you missed that, because it was sold out within 2 days, then you saw it when you came in for *THE WOMEN* this evening. Bar service is now computerized allowing us to control inventory more easily

We have an ambitious redevelopment programme underway. All stage lighting is now LED-based which saves on our power bills. A new lighting console is in place and a flexible control

network will be installed this year. Virtually all space and security lighting in the theatre is now LED and the remainder will be replaced with LED lights this year. In our training centre, the old bar will be removed and a small performance stage will replace it. Our fire detection system is being replaced with an intelligent system which accurately locates the fire – and does not set false alarms after power cuts.

My thanks to Peter Pasold, Bill Mervyn, Liam Oko and James Gibb – the stalwart members of the Theatre Management Committee for their continued support in all of this, and to Kirsty O’Sullivan, Head of Operations and Training, who has taken on some of the liaison work which means that a special trip to the theatre just to accept a delivery of supplies or provide entry to security or sanitation contractors is no longer necessary.

THE WOMEN was first produced by Max Gordon
at the Ethel Barrymore Theater, New York, December 26, 1936.

THE SETTING

The language and the mores are New York NY and Reno, Nevada around the 1930's.

Divorce, an ugly word then, could only be obtained easily and quickly by taking the train to Reno and living there for six weeks to establish residence – after which the desired – or undesired – certificate could be obtained from the Washoe County Courthouse. Reason played little part in the judges' decisions. After payment of the required fee, divorces were granted wholesale to all applicants, now turned residents and mostly female, who lived in guest ranches around Reno in the Washoe and Pyramid Lake areas.

++++ In 1929, one of those women was named Clare Boothe +++++

For simplicity, we present the play today in a modern, simple setting and modern costume designed to provide support for the words, the comedy and the drama without getting in the way of any of them. Please note that the writing reflects the language, views, and society of the time.

We do hope that you will enjoy the play as much as we have enjoyed bringing it to life for you.

ACTING CLASSES FOR ADULTS

"Acting is the ability to dream on cue" ~ Ralph Richardson ~

Whether you are a complete beginner looking to have some fun and gain confidence, a seasoned performer looking for a challenge and to hone your skills, a professional wishing to improve their public speaking, or you just want a place to use your creative energies and have some fun, then we have something for you.

From weekly training classes to monthly workshops and training events, CDS is bringing acting classes to Grand Cayman!

DRAMA CLASSES FOR CHILDREN

"If you want your children to be intelligent, read them fairytales. If you want them to be more intelligent, read them more fairytales" ~ Albert Einstein ~

Play and storytelling are a key part of everyone's childhood. Here, we create a supportive environment in which children and teenagers can practice self-expression, touch on issues of relevance to them and learn about stagecraft. This helps youths gain confidence as well as practical skills they can transfer to the outside world. Most importantly, we have fun!
